

ULTRA-ELITE LYTES™

- **Ultra-Elite Lytes™** is an isotonic electrolyte supplement that maintains mineral balance within the horse's body.

- **Ultra-Elite Lytes™** is an isotonic pellet for horses that contains 4 strains of microbial cultures to support digestive tract health along with alfalfa, wheat bran, molasses and dextrose in a highly palatable pellet form.
- It's formulated for effective electrolyte replacement for all classes of horses. Electrolytes are an extremely important factor in regulating muscle function, fluid balance, and metabolism. Deficiencies can result in muscle fatigue and dysfunction. During strenuous activity or exercise the horse's body temperature, pH, osmolarity and energy levels must be maintained.
- **Recommended for:**
 - All Forms of Exercise
 - Horses in Training
 - Performance and Endurance Athletes
 - Horses Under Stress
- **Ultra-Elite Lytes™ Pellets** offer the fastest and most efficient delivery of all forms of electrolytes. Isotonic electrolytes provide the proper concentration of minerals in the same isotonic balance as those found within the cell and circulation. This is important for maintaining osmotic pressure, fluid balance, and proper pH during exercise or physical stress.
- It is all natural with no artificial colors or flavors as found in other brands.
- **Feeding Directions:**
 - Light training:** 1 scoop daily.
 - Moderate training:** 1 scoop, twice daily.
 - Heavy training or other intense conditions:** Up to 3 scoops daily.

ULTRA-ELITE LYTES™ PELLETS

Guaranteed Analysis Per Scoop

(2 oz): The following values are minimums unless otherwise stated.

Crude Protein, min.	11%
Crude Fat, min.	1%
Crude Fiber, max.	14%
Salt (NaCl), min.	15%
Salt (NaCl), max.	18%
Calcium (min. 0.85%), (max. 1%)	528 mg
Phosphorus (min. 0.6%)	369 mg
Magnesium (min. 0.38%)	217 mg
Potassium (min. 3%)	1,833 mg
Chloride	5,500 mg
Sodium	3,950 mg
Direct Fed Microbials	5.6 x 10 ⁸ CFU

Ingredients: wheat germ meal, wheat bran, salt, alfalfa meal, cane molasses, dextrose, potassium chloride, sodium bicarbonate, monosodium phosphate, glycine, calcium carbonate, magnesium carbonate, magnesium sulfate, dried lactobacillus acidophilus fermentation product, dried enterococcus faecium fermentation product, dried bifidobacterium thermophilum fermentation product, dried bifidobacterium longum fermentation product, with propionic acid (0.06%) and vitamin E supplement (0.08%) added as preservatives.
